

Map and directions to new stores at M'Scala

Route A if you are coming from Zejtun. At the end of the bypass you arrive at a junction entering M'Scala. Turn left down towards Palm Valley. Pass Palm Valley and keep going down. Turn right uphill after pet shop (and gym). You can park in that road or choose to park just as you turn right.

Route B: If you are coming from Zabbar or from the road of Razzett tal-Hbiberija, keep going down to Grabel, then keep going straight uphill a bit. Then turn right just after Sparkle Image. You're in Triq il-Gran Mastri ...now keep going ... we're just after the first right (on the other side .. which is built up).
